I have informed myself and agree with:

Meeting or contacting the client "in PRIVATE" and not through the agency, will end our contract immediately and will trigger further penalties.

Darling Wien offers the Best Price Guarantee (example: You can't be for € 200 if you are on other websites for € 99).

Asking the client to write you good reviews, will bring for you much more jobs.

Your outfit must be always elegant. Not allowed: jeans, sneakers, flat shoes and sport or causal clothes.

Always sent START when you are available and STOP when you are not available anymore.

If you are on START and you are not reachable, you must pay the fee for the lost job.
